

STEMbotics Learning Center

THE #1 GLOBAL & MOBILE ROBOTICS K-8 LEARNING CENTER IN LAS VEGAS, NV!

PROVIDING K-8 ROBOTIC SUMMER CAMPS & AFTERSCHOOL PROGRAMS

Students will be immersed into the world of robotics through the lense of EV3 robots and sensors. The summer camp and afterschool programs will ensure that students, schools and teachers are prepared for First Lego League robotics competitions. Our students will also collaborate with students in other countries to create global solutions and robotic prototypes. Visit our website for more information!

WE'RE NOW ACCEPTING REGISTRATION FOR SUMMER CAMP 2019!
